## Notes

- Before visiting a patient, please go through the application procedures at the Visitor's Reception and receive a visitor's tag.
- If the patient is admitted to a shared room, please meet the patient in the Day Room. If the patient is unable to move, visitors may visit the shared room, but visitation is limited up to 2 visitors for 30 minutes.
- No Food is allowed in the Day Room/shared rooms during visitations, but drinks are allowed.
- Please keep visits brief and limit the number of visitors to avoid disrupting medical care and causing inconvenience to other patients.
- Visitor restrictions may be tightened depending on infectious disease situation.
- Depending on the patient's condition, we may have to refuse visits.
- Visitation rules may vary by ward. Please check with the respective wards for details.
